

The table below gives a suggested latest bus to the far start area. This takes into account any preference you provided when entering for time between bus drop off and start, otherwise we used a sensible minimum time.

As a minimum, you will need to get 700 metres from the drop-off point to the call up, picking up your bib (and GPS tracker if required) on the way, and arriving by your call-up time.

Optionally you might also want to visit the toilets, drop off your any jackets/drinks/bag to be transported back to the arena, and warm up (including option of visiting the warm-up area).

Please allow yourself sufficient time between bus drop off and your call up! We do have some spare space on the buses, so you may turn up for an earlier bus if you need to.

To be fair to competitors with tight timescales, it's important the buses leave on time. Therefore, the bus doors will be closed up to two minutes before the bus is scheduled to depart. Please also be co-operative if someone wants to make a rapid exit from the bus when it arrives at the drop-off point. If you have any questions or concerns about the busing arrangements, please contact the coordinator.

IT IS YOUR RESPONSIBILITY to get a bus that gets you to the far start area with enough time for you to get to call up on time.
